**Re: *Ex Parte* Presentation
 WT Docket No. 03-103; “Air-Ground Telecommunications Services”**

Dear Ms. Dortch:

On August 24, 2004, representatives of Verizon Airfone (“Airfone”) met with FCC Staff to discuss the Commission’s pending rulemaking on the Air-Ground service. At that meeting, the FCC representatives presented Airfone with various scenarios under consideration by the Commission in this proceeding for delivering Air-Ground service including: (1) two exclusive licenses (one 2.5 MHz in size and the other 1.5 MHz); (2) two overlapping 2.5 MHz licenses; and (3) one exclusive 4 MHz license. Airfone was asked to provide information to the FCC regarding how each of these licensing scenarios would impact the Air-Ground service. The attached materials are provided in response to that request.

Pursuant to Section 1.1206(b)(2) of the Commission’s Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

/s/ Donald C. Brittingham
